

Digital Guide for Parents & Carers

What is Mathletics?

Mathletics is an engaging digital maths programme used in Ark Primary schools in line with the curriculum

- Deepens their understanding of current classroom learning
- Uses music videos and interactive tutorials for fun learning
- Supports home learning activities and for independent use at home

How can I support my child at home?

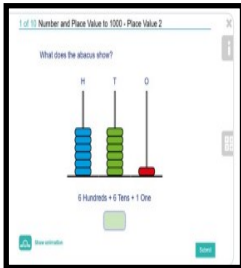

- View progress by clicking on 'Points This Week'
- Use the fun 'Explore' area with your child
- When your child reaches 1,000 points they will be awarded with a certificate!
- 'My Awards' button to shows certificates earned

How will Mathletics help my child?

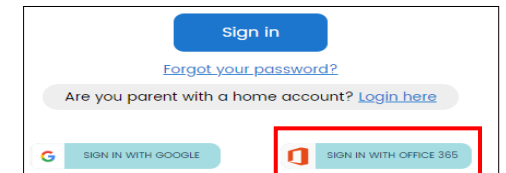

Teachers set home learning activities through Mathletics, based on their maths lessons

- Your child will work through activities, gaining points as they go
- Access to instructional videos related to topics they are covering.
- More practise equals points they can earn!

What if my child forgets their login details?

- If your child has forgotten their username or password, please inform their teacher who will reset their login details
- For ease we suggest using 'single sign on' through Office 365. [Click the link for set up instructions](#)

How do we access Mathletics?

Your child can sign into Mathletics [by clicking here](#)

- Mathletics requires a modern browser and an up-to-date version of flash player (free from Adobe).
- There is also a Mathletics app that can be downloaded onto tablets or phones.
