

Digital Guide for Parents & Carers

What is Up Learn?

Up Learn is an engaging digital platform used in Ark 6th Forms in line with the curriculum.

- Helps students achieve their full potential at Maths A Level
- Uses neuroscience based on how to learn effectively
- Cognitive techniques so students can learn more in less time

What if my child forgets their login details?

If your child has forgotten their username or password please click 'Reset Password' and follow the instructions

How will Up Learn help my child?

- Videos provided based on the Maths topics they will cover
- Questioning for understanding with memorisation tools to help secure knowledge
- Exam techniques and practise papers with model answers
- Personalised timetable for revision based on the time frames remaining for exams

How do I support my child at home?

- Up Learn recommends spending half an hour each day using their website to get the most out of the platform
- Where possible independent learning should be in a quiet place
- Encourage your child to take notes on each module
- Parent accounts are available through [this link](#)

Where do we access Up Learn?

- Your child will be given their login details by their teacher
- An Invitation email will be sent to your child to activate their account
- Tutors are online 24/7 for any support needed , [click here for more information](#)
